

National Day of Health and Safety in Mining 2022

STEPPING UP TO THE CHALLENGE

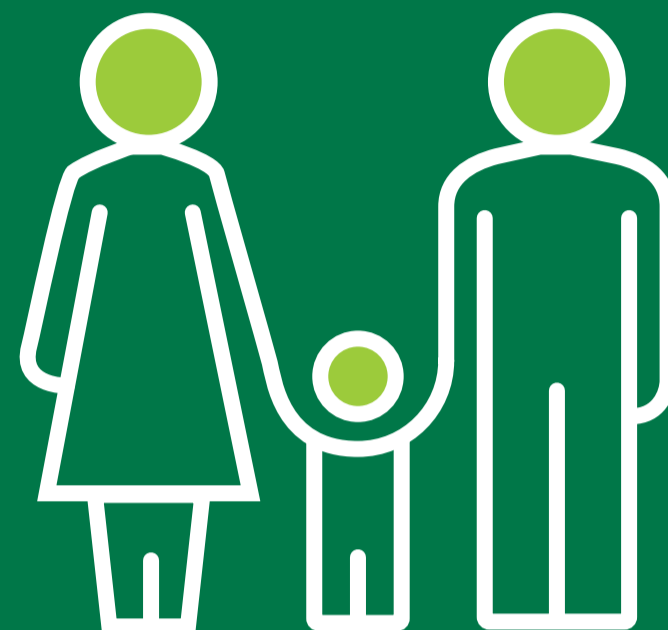

MINERALS COUNCIL
SOUTH AFRICA

#MakingMiningMatter

The Khumbul'ekhaya Health and Safety Strategy

aims to ensure that we all
return home safely at the end
of every day.

Think about
our loved
ones every
day

**By Stepping up to the
Challenge to create healthy
and safe workspaces,
we will save lives.**

Your life matters - think about health and safety
first in every task you perform.

Khumbul'ekhaya - Remember home!
